This thread is part of the proposed schedule for study for the first exam. Discuss the practice problems here. View questions here: http://beastie.cs.ua.edu/concepts/cs/al/heaps.html

This thread covers questions 16-28 of heaps.

Work together on the proposed answers to questions on this shared Google Doc (comment reasoning/arguments behind answers)

Upcoming topics (threads start two days in advance): Graphs 1-15, Feb 15 | Graphs 16-28, Feb 16 | SB trees 26-52, Feb 17 | Recurrences 71-105, Feb 18

Full schedule
