Subject: Variable Reassignments
Posted by bmbaker1 on Tue, 06 Sep 2016 21:26:38 GMT

Will the variable reassignments ever be in any order other than:

    a = a + b ; //specifically the placement of the '=' operator

By this, I mean will it ever look like:

    a + b = a ;

or anything like that?

Assignments will always be to a variable, but see my post on extra credit.
