• Oneiric Ocelot 11.10
• Natty Narwhal 11.04

About this website

This website is rendered in the Old School style. Old School is known for its somewhat spartan, but clean and crisp, no-nonsense, get-down-to-brass-tacks appearance. Old School was invented by Tim Berners-Lee during the latter part of the last century. It is made a bit more flashy by incorporating a style sheet.
